<b>GlowFork™</b>	<i>The Bioluminescent Dining Experience</i>	Tired of eating in the dark? The GlowFork™ lights up your plate with a soft, calming glow using micro-LEDs and a tiny solar panel. Recharge it during lunch and be the star of every dinner.
<b>Barklarm™</b>	<i>The Dog Bark-Powered Alarm Clock</i>	This gadget plays a realistic dog bark until you wake up and give it a treat. Pairs well with your smart fridge to reward you with actual bacon... unless you hit snooze.
<b>CloudPants™</b>	<i>Pants So Comfy You'll Forget You're Wearing Them</i>	Made with a proprietary fluff-fiber blend harvested from imaginary clouds. Guaranteed to feel like a nap with legs. Warning: may cause spontaneous lounging.
<b>Scream Jar™</b>	<i>Emotional Support... in a Jar</i>	Scream into it. It muffles sound. It lights up. It judges no one. Available in Lavender, Midnight Void, and Limited-Edition Existential Dread.
<b>FridgeMate AI™</b>	<i>Your Chatty Cold Companion</i>	An AI-powered fridge magnet that talks to you. Gives you cooking suggestions, reminds you to hydrate, and occasionally offers life advice. Slightly passive-aggressive when you reach for more cheese.
